

Christine Crawford
Executive Officer
Yolo County LAFCo

Subject: Fire Protection District Draft Governance Recommendations

Executive Officer Crawford,

The purpose of this correspondence is to voice the support of the Springlake Fire Protection District's (FPD) Board for the Fire Protection District draft governance recommendations as outlined in the Agenda Item #8 of LAFCo's March 31, 2022 regular meeting agenda.

While the Springlake FPD is satisfied with the service contracts with Woodland and Davis Fire Departments, we feel the Yolo County Fire Chiefs Association (YCFCA) MSR Subcommittee's recommendations reflect support for *all* citizens in Yolo County.

Specific to Fire Service Area 4, the Springlake FPD Board is in support of an advisory board representing the combined contract service areas to the Yolo County Supervisors.

The Springlake FPD Board wants to extend our appreciation to the YCFCA MSR Subcommittee members, LAFCo and the County Board of Supervisors for their commitment to addressing the fire services needs of all residents in Yolo County.

Sincerely,

Weston Arvin, Chair
Springlake Fire Protection District

Cc: Springlake FPD Board
